... THIS IS MT. ST. JOSEPH  
where our young minds were opened to the knowledge of all  
things: of God; of man; and of the world. At this time, the  
"MOUNT" looks back upon its history and finds a history much  
more important—that of a school dedicated to the ideals of a  
Christian education. Under the continued guidance of St. Joseph,  
may the ideals set forth in its past continue to be realized in its  
future.

## *Dedication*

The class of '63 has been particularly impressed by the three-fold spirit of prayer, education, and sportsmanship that permeates the halls of M.S.J.

The religious spirit is evident in every daily activity carried on at the Mount. Classes and outside activities are continually offered in prayer.

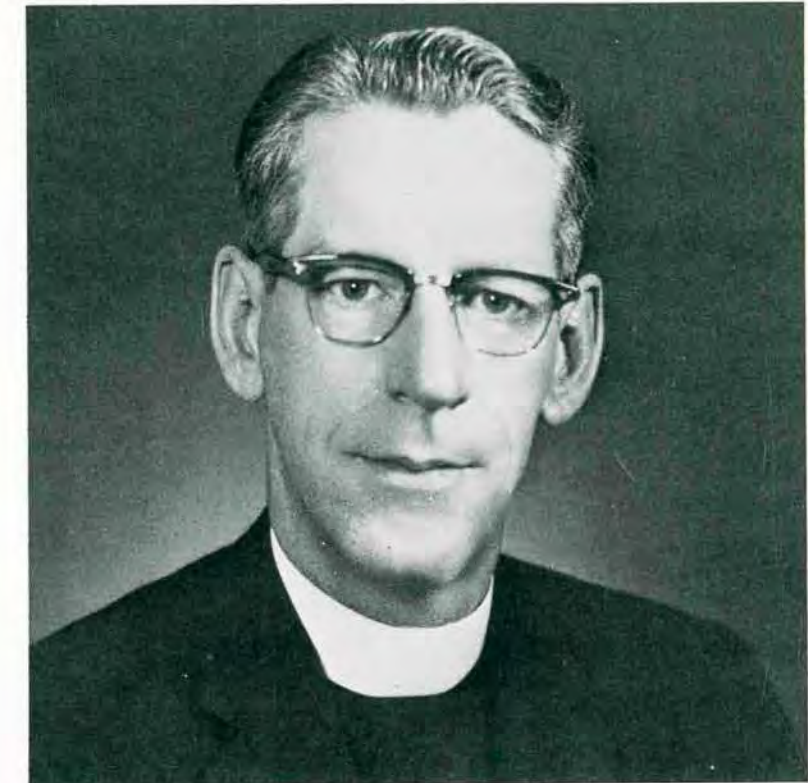

The spirit of education can be seen through the number of students eligible for the Honor Roll. Academy students are also recipients of many honors and awards.

The spirit of sportsmanship can be witnessed at any sports event occurring at the Mount. The team and student body exhibit such spirit and determination that they have been complimented by many throughout the state of Vermont.

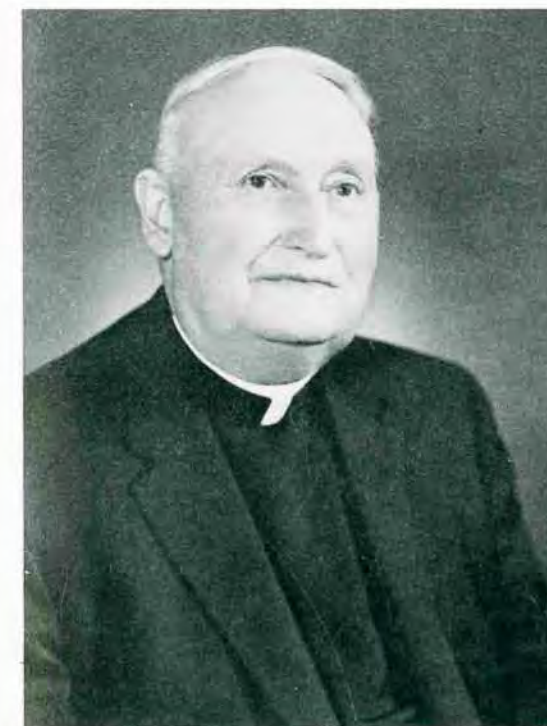

Therefore, with pride and enthusiasm, the Class of 1963 dedicates the Mount to the undaunted "Spirit of M.S.J."

## *Mount Saint Joseph Academy* *Rutland, Vermont*

To the Class of '63:

It is always a pleasure to extend congratulations and best wishes to the graduating class. You have achieved an important goal and we rejoice with you.

Today we hope and we pray that you will always live according to the ideals presented to you during these past four years. "To think, judge and act according to the mind of Christ" is perhaps a good summation of those ideals.

Your high school education has come from many people who have dedicated their lives to the work of Christian Education. Let their generosity always be an example to you as you strive to be of service to God and your fellow men.

The Basketball season this year was, to say the least, a very successful one. The Mounties played excellent ball all season and the games that were lost were all close ones. The boys fought hard all the way to the tournament and almost won their semi-final tilt. They should be further congratulated for their superb ball handling and sportsmanship which they displayed throughout the season. We, the class of '63, wish the same success to the future Academy Basketball Teams.

### MOUNT SAINT JOSEPH BAND

Under the expert direction and guidance of Mr. Napoleon Ianni and Sister M. Emmanuel the Mount St. Joseph Band has been able to participate in many activities during the current year. The band's snappy music boosted the school spirit at our home football games this season.

It was on hand for the Veterans' Day Parade, the Christmas parade and to assist the Knights of Columbus in the induction of new members.

On December 16, the band participated in a joint concert with the Glee Chorus. Another exciting event to take place in May has developed for the musicians. They have been invited to participate in the "Ianni Festival," to be held this year at Otter Valley Union High School. The Vermont Festival Parade in Burlington, Tri-State at Tanglewood, in Lenox, Massachusetts, an exchange concert with Otter Valley Union High School Band and Woodstock Alumni Day are also on our agenda.

Judy Allard received the John Philip Souza Band Award.

## Science Club

The Mu Sigma Iota Chapter of the Future Scientists of America had an interesting and informative year. Several speakers were kind enough to address our club. Among them was Mr. Gallo, who discussed the sun and its chemical make-up. Dr. Barrett of Dartmouth talked to the club on viruses and the importance of biology today.

On January 19, the Science Club sponsored a dance, "Frosty Frolic," which was enjoyed by all.

Our Science Night, "Progress in Science" was a great success and presented many aspects of science at M.S.J. to the public.

To further interest in the classics among students, the project undertaken this year was a presentation of the Greek tragedy, "The Antigone." ## F.N.C.

The purpose of the Future Nurses Club is to provide its members with opportunities to acquire knowledge of careers in nursing and other health fields. The Mount St. Joseph FNC, which received its national charter in 1962, attempts to do this by discussions, guest lectures, films, and field trips.

This year, the club, under the leadership of Eileen Burke and Barbara Notte, engaged in various activities. In November, the members served a spaghetti supper for the benefit of the Sisters' Bazaar. The girls also raised funds for the scholarships and prizes which will be presented on Awards Night. Interested members enrolled in a First Aid course taught by Sister Jean, O.S.J., R.N. As the *Mount* goes to press, FNC'ers are planning trips to the Jeanne Mance School of Nursing in Burlington, and St. Luke's in Pittsfield.

These girls received the blue and gold FNC pin in February: SEATED: J. Brown, M. Denardo, J. Lemmo, P. Badgewick, M. Guyette. STANDING: J. LaBrake, L. Guinness, B. Pawlusiak, L. Boule, J. LaLiberte, S. Barron, B. Bove, M. Fox, K. Callahan, Sister M. Virginia.

## F.T.A.

Last fall the first project of the Saint Thomas Aquinas F.T.A. was a bus trip to Boston. Junior and Senior members visited three colleges: Regis, Emmanuel, and Cardinal Cushing. The next activity was a car wash held on October 27, at Mickel's Mobil Station to raise money to pay for the previous bus trip. For the annual M.S.J.-R.H.S. football game, club members sold green and white shakers and on November 13, an assembly was presented commemorating American Education Week. A display was put up on the main bulletin board in recognition of this nationwide event. Another activity in connection with American Education Week was the annual Faculty Tea.

The State Convention was held at Brattleboro where Sally Wall was elected State Treasurer and Mary Jean Hinchey was announced outstanding senior member of the Club. Also during November, F.T.A. members made fudge for the Sisters' Bazaar. At Christmas a party with games, refreshments, and presents was given for the area's needy children.

During the school year, the F.T.A. sponsored many other events, such as, a raffle, dances, School Queen, and Grinder Day, while at the monthly meetings, guest speakers addressed the club members concerning various phases of teaching. Many girls either helped teachers or tutored one of their classmates and the seniors did some practice teaching during February.

In June, scholarships were awarded to deserving seniors from the money raised by the year's projects, and it is hoped that F.T.A. helped its members come to know a little more about the challenge of the teaching profession.

Mary Jean Hinchey was named the outstanding Senior member of the club. Sally Wall is the State Treasurer.

## Student Council

The Student Council is a body of students, who, elected by their classmates, represent them and their problems before the school.

Fostering the qualities of citizenship, leadership, responsibility, scholarship, and sportsmanship, the Council sponsors such activities as Christmas Baskets, Vocation Day, Tag Day, and Student of the Week. This year during the Lenten Season the Council initiated the practice of having the Monday Lenten Mass and the daily Rosary in the chapel.

## Josephite Chapter

The Josephite Chapter of the National Honor Society has been active this year in carrying out its traditional projects and activities. The year began with the election of officers and a discussion of the coming year's work.

In November, five new members were initiated in a private ceremony at the monthly meeting. The members then rendered their services to the Sisters of St. Joseph for their Pre-Christmas Festival. That was followed by the annual "Share" drive and assembly.

December was a busy month for the club with the wrapping of "Share" gifts and the annual Alumni Supper for its former members.

The preparation and presentation of the February Induction was the next activity. The group also offered its services for the Faculty-Varsity basketball game. Members worked as ticket sellers and ushers.

On March 6, there was a joint meeting of our chapter of the National Honor Society with the group from Rutland High School.

The year ended with the annual "Academy Awards Night" on May 29.

## F.B.L.A.

The Mt. St. Joseph Academy of F.B.L.A. is now in its second year. The constitution has been written and submitted to the national office. The degree program is now under way. It is possible for members to attain the degree of Assistant, Leader, or Supervisor through their efforts in the Club.

The chief project during the 1962-1963 school year was "Operation Econ." This was a full year's work and involved obtaining information from the agricultural, industrial, and recreational fields in order to determine the contributions from each to the economy of Vermont.

"Operation Econ." has given each member of the F.B.L.A. who was active in the project a personal background in economic understanding so that he will know better how to select a vocation, spend his income, invest his savings and understand economic problems on the local and state levels. It has helped our chapter achieve a successful year of programming, fulfilling the twelve purposes of F.B.L.A. We hope an awareness of the importance and value of economics has been created throughout our school and community.

As eager Seniors, we searched for new ideas while working vigorously on the "MOUNT." Under the guidance of Sister Miriam Teresa and Sister John Paul, we have tried our best to recapture the joys and sorrows of Retreats, assemblies, games, tournaments, pep rallies, plays, dances, and the daily events of our school life.

If, in the years to come, these pages bring back to you memories of the happy days we spent at Mount Saint Joseph, then our goal will have been attained. May you enjoy reading it as much as we have enjoyed compiling it.

Assistant Manager Barbara Notte

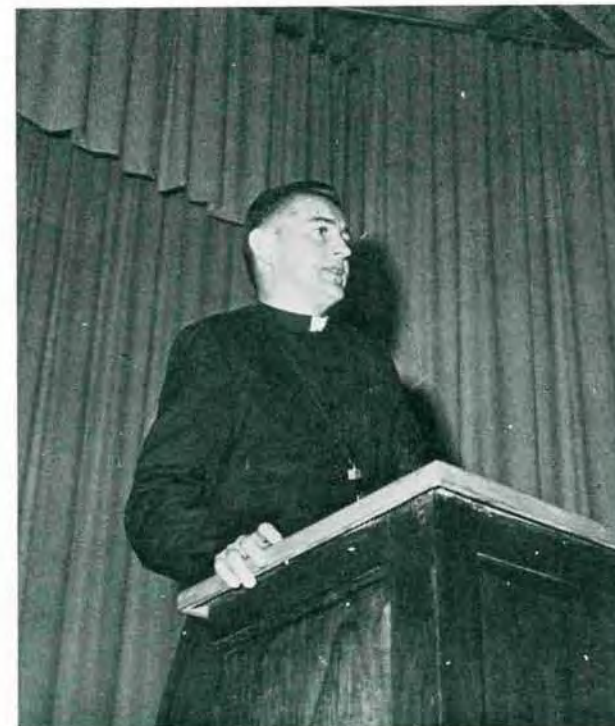

## Retreat

A Mass celebrated by Father Doherty at Saint Peter's, brought the 1963 student retreat to a close.

Father was glad to visit with and counsel any of the students. Here Mike Courcelle, Barbara Shortle, Maureen Reardon and Joseph Badgewick talk with Father.

Father's contemporary parables gave the students clear and concise solutions to many of their problems.
